## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The mission of Dutch Fork Elementary School (DFES), through partnerships established among our staff, parents and community, is to provide each student a comprehensive high-quality academic program as outlined in the South Carolina State Standards. It is our purpose to foster positive social behaviors and attitudes in a safe, respectful environment. We will monitor progress through formative and summative assessments. Support will be provided through enrichment, intervention, peer coaching, guidance services, and continuing professional inquiry by staff members.

Our vision at DFES is to continue to create an atmosphere that promotes both challenging academic standards and development of social and life skills. The faculty, staff, students, parents, community members, PTO, and School Improvement Council all work together to provide a safe, warm, and nurturing atmosphere to create the best learning environment possible. We were named a "Community-Friendly School" this year.

DFES continued to improve academically as measured by our formative assessments. Our teachers focused on the reading process to foster growth for every child. They implemented daily read-alouds, book clubs, guided reading, independent reading, writer's workshop, reader's theater, word study and book buddies to help each child reach his or her maximum potential. We fully implemented the Everyday Mathematics program at all grade levels. Our MAP testing results indicate that over 60% of our students met their target growth in reading and over 70% met their target growth in math.

In addition to our academic offerings, we continued many of the programs from previous years, including Terrific Kids, Students of Distinction, Green Team Recyclers, PE Intramurals, Holiday Store, Fun Day, GEMS, talent shows, art displays, Spanish school store, Reader's Theater, Bingo Night, Fall Festival, Wendy's, Zaxby's and Sonic Night. Kit Klub, our after-school program, continued to provide an exemplary option for working parents. In Kit Klub, students participated in homework and tutoring sessions, cooking classes, gardening, computer lab, physical education, and many service projects.

DFES is working toward becoming a Green Steps School. We have earned a step in recycling and in energy conservation. Wal-Mart donated \$2,000 to assist us in our environmental projects.

We are committed to continuous improvement through engaging and thought-provoking curricula. We challenge our students to think, question, and apply their knowledge to solve problems. We have high expectations for all of our students and with our dedicated teachers, staff, and parents these expectations are met.
